Weekly Newsletter

Friday 5th March 2021

Mission Statement:

With Jesus as our guide, we learn, pray and live together in a safe and happy way.

Dear Parents/ Carers,

We are ready to welcome all children back to school on Monday, we have missed the children and look forward to them all being back in class.

Can I remind parents that we are still in a national lockdown and social distancing measures must be attained to at all times, this is with staff and other parents. Due to this, can I also remind parents that communication with staff is best placed in the first instance in an email or a phone call at the end of the school day. We cannot at this time, facilitate face to face parents meetings.

You will find a list of teachers email addresses in this newsletter, also, you can contact school through admin@st-peter-st-paul.staffs.sch.uk

You have already been sent an email last week, notifying you of the staggered start and finish times for each of the classes from Monday. Please do not arrive too early or late for your child's start time as it runs the chance of class bubbles crossing over.

Snack is available daily for children in Y1 upwards, this is a slice of toast. If you wish your child to receive this, it MUST be booked in advance for the week at a cost of £1.25 and you must complete the form that is scheduled to go out over the weekend via text & email. SNACK must be paid for in advance using the parent pay system. Please be advised that children will only be given snack if their account is in credit.

Dinner menus have been sent to parents to allow you to view the choices the children will have over the coming weeks. Children must choose their option in class in a morning. The children's account must be in credit on parent pay if you wish your child to receive a dinner and they do not qualify for free meals.

Michelle Bennet our cook is currently off sick – we have a temporary replacement cook Samantha Williams who is covering the kitchen in her absence.

Can you please keep our Chair of Governors Mr Walmsley in your prayers? He is still very ill in hospital.

On a closing note I would personally like to thank parents for their support during this period of partial closure, you have worked hard with remote learning and we appreciate all you have done. I know your hard work will ensure that your children will continue to make good progress across this year.

Thank you
