School Mission Statement

*With Jesus as our guide, we
learn, pray and live together
in a safe and happy way.*

MESSAGE FROM HEADTEACHER

Dear Parents/ Carers

Thank you to our Y6 and reception children who presented their special friends assembly this morning. Thank you also to our Minnie Vinnies who will be leading us in the Rosary this afternoon. One million children across the world will be joining in prayer for peace today.

I will be sending out letters/ Texts next week to advise all parents of their children's current attendance. Medical appointments are marked as M and they do impact on attendance percentage. When I am rewarding attendance weekly, I discount any medical appointments so please do bear this in mind when looking at your child's attendance for this half term.

We have an INSET training day on the 6th November—this is a Wednesday and school will be closed to all pupils.

It is our family Mass on Sunday, all families are welcome to join us at SS Peter and Paul church at 11am. It would be lovely to see lots of families.

Thank you for all of the donations for our Harvest festival, the food bank collected the goods on Wednesday morning and we await our certificate to find out how many meals we have donated. Well done to our Y2/3 children who led the readings beautifully at Mass.

CONGRATULATIONS

Congratulations to Donald Writer of the Week!

In the old testament there were two people called Abraham and Sarah, they had a son called Isaac, they loved Isaac. Then one day God told Abraham to take Isaac to Mount Moriah and sacrifice him. They walked for three days while the donkey carried the wood. When they got there Isaac asked where is the lamb? Abraham said God will provide then before Abraham sacrificed Isaac God said stop! I know you love me so Abraham saw a ram and that was the sacrifice.

Mental Health Support Team

Information for parents

Who are MHST?

We are a team of Mental Health Practitioners that work with children and young people.

We understand the difficulties young people can face and how this can affect their mental health.

We offer low intensity CBT based support to give children and young people the skills they need to manage these difficulties.

Who MHST can support

We support young people aged 5 to 18 when there is a clear mental health need present, such as:

- Low mood
- Anxiety
- Sleep difficulties
- Worry
- Panic

Our interventions work best when a young person wants to access support and is willing to put the work in both in and outside of our sessions.

Who MHST can't support

In the absence of a mental health need, we can't support young people who are struggling with:

- Trauma
- Autism or ADHD
- Difficult family dynamics
- Bereavement
- Self-esteem / confidence issues
- Drug or alcohol addiction

How can I refer into MHST?

Contact the Senior Mental Health Lead at your school if you feel your child would benefit from support from the Mental Health Support Team.

Overview

Our 3 week Monthly workshops are based around the Maudsley method. The aim is to provide caregivers practical tips, real life scenarios and case studies designed to help carers develop self reflective care, giving skills to model confidence, compassion and courage, so they can be more helpful in their loved ones recovery.

It is common for carers to feel helpless, frustrated and confused, these workshops are there to offer the right training and strategies with the aim of empowering parents and caregivers to be able to play an active role in their loved ones recovery.

Dear Parent/Guardian

Vision Screening/Eye Tests ARE NOT provided within schools in Staffordshire.

We strongly recommend that all children have regular eye tests at an Optician once a year.

NHS Eye tests for all children are free at any Opticians.

It is important that even children with apparently normal vision should be tested. As children can often compensate very well for some eye problems which need to be identified and treated early to avoid lifelong visual loss.

The Eye test checks that your child's vision is developing normally. It is performed at this age so that any reduced vision or difference in vision between each eye can be picked up before the visual system is fully developed and any treatment can be started.

You do not need to do anything, if your child:

Is currently under the care of an Eye Specialist (Ophthalmologist / Orthoptist / Optometrist) at a Hospital Eye Clinic.

Or

Is currently under the care of a local Optometrist (Optician) or had a recent sight test.

If none of the above applies, please arrange with your local Opticians for your child to have a free NHS Eye Test.

Yours sincerely,

Orthoptic Department
