School Mission Statement

*With Jesus as our guide, we
learn, pray and live together
in a safe and happy way.*

MESSAGE FROM HEADTEACHER

Dear Parents/ Carers

You will all receive a booklet about attendance and the programme we are running in school. Any child with 100% attendance for the week will receive a sticker, they will receive a prize for every five weeks of full attendance. (medical appointments will not effect attendance).

I will text parents on a Friday afternoon or Monday if their child's attendance has fallen below 95%, please be aware that at this early stage of the year a few days can affect attendance greatly.

We are working with a company called Opal and are going to work towards our lunchtime play being more suited to the varying needs of our children and allow them a host of activities that will hopefully cut down on conflict or upset. Staff will have a training day for this in November and the scheme will be launched soon afterwards, we will then be able to share more information with you.

Thank you to Y1/2 and Y2/3 for their INSPIRE workshops last week. It is wonderful to be able to welcome parents to come and share work in school. Y5/6 are hosting their session on Tuesday morning and Y4/5 on Wednesday morning. Please do join us if you can.

We have Mass every other Tuesday and families are welcome to join us in church at 10am. Our next Mass is the 1st October.

Please note that gates are closed at 8:55am, anyone arriving after this time will need to enter school through the office area and sign children in through the digital system. Gates will be opened at 3:10pm at the end of the day.

Mental Health Support Team

Information for parents

Who are MHST?

We are a team of Mental Health Practitioners that work with children and young people.

We understand the difficulties young people can face and how this can affect their mental health.

We offer low intensity CBT based support to give children and young people the skills they need to manage these difficulties.

Who MHST can support

We support young people aged 5 to 18 when there is a clear mental health need present, such as:

- Low mood
- Anxiety
- Sleep difficulties
- Worry
- Panic

Our interventions work best when a young person wants to access support and is willing to put the work in both in and outside of our sessions.

Who MHST can't support

In the absence of a mental health need, we can't support young people who are struggling with:

- Trauma
- Autism or ADHD
- Difficult family dynamics
- Bereavement
- Self-esteem / confidence issues
- Drug or alcohol addiction

How can I refer into MHST?

Contact the Senior Mental Health Lead at your school if you feel your child would benefit from support from the Mental Health Support Team.

Overview

Our 3 week Monthly workshops are based around the Maudsley method. The aim is to provide caregivers practical tips, real life scenarios and case studies designed to help carers develop self reflective care, giving skills to model confidence, compassion and courage, so they can be more helpful in their loved ones recovery.

It is common for carers to feel helpless, frustrated and confused, these workshops are there to offer the right training and strategies with the aim of empowering parents and caregivers to be able to play an active role in their loved ones recovery.
