MESSAGE FROM HEADTEACHER

Dear Parents/ Carers

You should have all received a leaflet about the importance of good attendance this week. Please do ensure your child is in school everyday. There are reward systems in school to reward the children for their good attendance.

Snacks sent to school for break time should be a healthy choice- things such as fruit or vegetables, cheese, squeezey yoghurts, dried fruits and cereal bars are accepted. Children will not be able to eat crisps or chocolate, if staff see these the children will be asked to consume these as part of their lunch. Fruit is available in school for y1 and y2 children.

Thank you to all the parents who were able to join us for the recent INSPIRE sessions, it was wonderful to see so many of you working with the children. Our next INSPIRE sessions will be in the Spring term.

Y4/5 will be leading our Mass on Tuesday at 10am in the church, please join us if you can.

The children will be able to play football on the field on the following days if they bring overclothes and a change of footwear : Mondays Y2 Tuesday Y3 Wednesday Y4 Thursday Y5 and Friday Y6.

Though the entrance of the cave Sophie could see an abundance of jars. With a warm yellowish green, a soft reddish orange, and ~~anything~~ purple. As Sophie looked round the colossal cave and spotted a giant tree trunk in the centre of the eerie cavern. Surrounding the Redwood tree there were a series of complicated machinery and stolen items like: a spitzie wing, a mystic ship, a clock face and many more interesting things. Through a waterfall shining like the stars there was two rubbish bins a geyser and a telephone box. At the other side there was a warm cosy fire with a children on top putting the logs on the table there was a cutlumber shaped object with spikes and a champagne bottle full of bubbling green liquid.

Mental Health Support Team

Information for parents

Who are MHST?

We are a team of Mental Health Practitioners that work with children and young people.

We understand the difficulties young people can face and how this can affect their mental health.

We offer low intensity CBT based support to give children and young people the skills they need to manage these difficulties.

Who MHST can support

We support young people aged 5 to 18 when there is a clear mental health need present, such as:

- Low mood
- Anxiety
- Sleep difficulties
- Worry
- Panic

Our interventions work best when a young person wants to access support and is willing to put the work in both in and outside of our sessions.

Who MHST can't support

In the absence of a mental health need, we can't support young people who are struggling with:

- Trauma
- Autism or ADHD
- Difficult family dynamics
- Bereavement
- Self-esteem / confidence issues
- Drug or alcohol addiction

How can I refer into MHST?

Contact the Senior Mental Health Lead at your school if you feel your child would benefit from support from the Mental Health Support Team.

Overview

Our 3 week Monthly workshops are based around the Maudsley method. The aim is to provide caregivers practical tips, real life scenarios and case studies designed to help carers develop self reflective care, giving skills to model confidence, compassion and courage, so they can be more helpful in their loved ones recovery.

It is common for carers to feel helpless, frustrated and confused, these workshops are there to offer the right training and strategies with the aim of empowering parents and caregivers to be able to play an active role in their loved ones recovery.
