Dear Parent / Person with parental responsibility,

Classes for September 2020

As with many small schools with low numbers, we will again have mixed year classes. A variety of considerations and a lot of thought is taken concerning class allocation i.e. teacher assessment / attainment, social skills, behaviour, chronological age and deployment of staff and resources.

Due to the fact that some children have not been in school since March, it makes allocation of class difficult, therefore your child will **initially** be assigned to **Year Four/Five** and their teachers for September 2020 will be **Mrs Woolfenden and Mrs Spurgin.**

However, all class allocation will be temporary. On the 25th September, this decision will be reviewed according to more accurate assessment information about your child. This may mean your child is assigned to a different class.

It is important to note that at present we are working on the premise that there will be a full return to school in September, but this is subject to guidelines from government and health and safety decisions based on this by governors.

We will be contacting parents with arrangements for September, once details have been finalised, I thank you for your patience with this matter.

Yours sincerely

Mrs C Faulkner
