Jacqueline Davies - Foundation Governor

I have had four children who have attended SS Peter & Paul's school over a period of 22 years so I have seen the school change and develop over the years. I was initially attracted to the school because of the family atmosphere; everyone knew each child as an individual, cared for them and wanted to ensure their success academically and personally. This has been a consistent feature of the school which we, as governors, strive to nurture.

I currently chair the Curriculum and Childcare committees and am also involved in performance management.

I am committed to helping the school continually evolve and improve to benefit the children in our care.

Simon Godwin - Foundation Governor

I have lived in Lichfield for the last seventeen years. I have two children. My eldest is now in Year 8 at St Francis Assisi, Aldridge, having previously attended SS Peter and Paul from nursery all the way through to Year 6. My youngest is currently in Year 2 having attended the school from nursery. I have been employed at Stafford Grammar School for the past 12 years and am currently Head of Religious Studies. I also teach ICT. Previous to this I taught RE at Blessed William Howard, Stafford and Cardinal Griffin, Cannock.

My wife and I have been very pleased with the Catholic education both our children have received at SS Peter and Paul and the commitment of all the staff. It is a privilege to support the school as a governor.

Diane Segal - Foundation Governor (Joined 2014)

Our school is an amazing school where each child is valued and nurtured to grow into caring young people. I became a governor to ensure the excellent work of the school community (staff, parents, church and children) can continue to grow from strength to strength. As a nurse I bring skills of communication, understanding and awareness of how public services work. As a practicing catholic I bring the awareness and the importance of ensuring our school maintains strong catholic ethos and as a parent I bring the knowledge of parents' wishes for the school.

Caroline Wood -Local Authority Governor

I started volunteering with Age UK at St. Peter & St Paul's Primary School in 2012. I have been in school for one afternoon a week since then and really enjoy my time with the children. I was elected to Staffordshire County Council in May 2013 to represent the North Lichfield Wards which includes Chadsmead, Curborough and Stowe. In 2015 I was invited to join the Board of Governors for the school and as a practicing catholic of this parish I was delighted to be part of the team. I have been a school governor at both primary and secondary schools in the past and hope my experience will prove helpful.
