

**SS Peter and Paul Catholic Primary School**

**Sports Premium Report 2016-17**

Target	Action	cost	Target date	Impact and evidence
To develop participation in competitive sports	WG and CF to hold sports clubs for Y4/5/6 to coach sporting skills in team sports to encourage participation in sporting events. To encourage the use of sportsmanship to promote good behaviour choices.	£3,834	July 2017	Children have participated in netball, hockey and football matches and tournaments. The football team were the district small schools champions. The sporting behaviour was exemplary and also helped some of our challenging children to make good behaviour choices outside of PE.
To improve the quality of teaching in PE	Leicester Tigers to come into school to take tag rugby lessons. Class teacher to observe teaching. Children inspired to join out of school session.	£100	May 2017	Children really enjoyed sessions and demonstrated good ability. They were invited to a tag rugby open day at the local rugby club and two children attended.
To improve the provision of sports clubs for our younger children.	Sports coach bought in to run a football club for Y1-4. It will ensure sports available for all year groups	£300	July 2017	Football club has run for two whole terms. The uptake was very positive. Provided free. Will continue next academic year.
To update and replace	Audit carried out of PE equipment and	£423.52	January 2017	All lessons were appropriately

PE equipment to ensure high quality PE lessons.	order to be placed to ensure equipment needed to resource PE lessons is available.			resourced to ensure lessons could be of high quality, and skills were learnt with appropriate equipment.
To continue to improve the quality of playground equipment (due to wear and tear)	Audit carried out and School council tasked with choosing the equipment appropriate for active play on the playground.	£631.74	October 2017	Children have a range of playground toys to keep them active and promote a range of PE skills such as skipping, jumping, balance, throwing and catching.
To release PE lead/ staff to take children to competitive events	For children to partake in tournaments such as swimming, football, netball and hockey.	£1,200	July 2017	Children have had the opportunity to represent the school in a sporting event. Using skills learnt in PE lessons and school clubs. Allows children to be proud of achievement but also gracious in defeat.
Participation of all children in sports day	To purchase sports prizes and stickers.	£30.78	Summer 2017	All children participate in sports day. Cup brought for house winners
Participation in sports day from our youngest competitors.	Extra staff paid to facilitate the participation of our two and three year olds in sporting activity.	£250	Summer 2017	Even youngest children involved in the sports day.
Development of assessment in PE	PE lead to have management time to research Assessment materials for PE To use CPD to train staff on assessment procedures	£600	Summer 2017	All teachers to be proficient in assessing PE skills, to ensure progression through school
Promotion of healthy lifestyles	Children in Y6 recording of weight/ height demonstrated we were a target for obesity. PE lead to use management time to look at ways of promoting healthy lifestyles.	£300	Summer 2017	Time spent with school council to think of ways of promoting being healthy. School nurse liaison to invite them to give information to children about healthy choices. To think about limiting snack at break time.

To promote the wellbeing of our children	Use a whole school retreat day to 'help' children to take time out and learn to reflect upon actions and choices.	£400	February 2017	All children and staff participated in whole school retreat day. Allowed children to have a day away from lessons to renew spiritually.
To promote positive wellbeing in our most vulnerable pupils.	CC to hold two nurture sessions 1 hour long each week. This will target children who demonstrate low self-esteem, pride in themselves or others and weak social skills. To allow CC to work one to one with some of these children when facing challenging situations.	£2,500	July 2017	Time spent of learning how to take turns, to support others and be pleased for others' success. Building resilience and how to play with others.
Participation in outdoor activities	Y6 to visit Alton Castle for an outdoor pursuit day	£192	October 2017	Trip was part funded with Sports premium money to allow all children to participate in day.
New resources for EYFS outdoor area	New resources to encourage outdoor play	£195.28	April 2017	New resources bought to promote active play for our EYFS unit. Children enjoy using the new resources and are very active in their play.

Total spent :£10,957.32

### Aims for 2017-18 Sports Premium

- To increase participation in after school sports clubs
- To continue to increase the uptake of sporting competition
- To action healthy lifestyles of our children- through daily activity such as wake up shake up and walking/ jogging sessions.
- To audit and refresh PE resources.
- To review and shape planning of PE across the school.
- Continued promotion of mental wellbeing of our children.
